

# Alameda County Back-to-School Immunization Clinics

California law requires that students be vaccinated against certain infectious diseases before they can attend school. The following clinics are specifically for the *back-to-school* season.

Updated 6/1/2018

**The very best place to go for all vaccinations is your doctor's office – call your doctor first to schedule an appointment.**

Vaccines are also available at many local and chain pharmacies -- call in advance to ensure what you need is in stock and to determine age requirements. These are often covered by medical insurance.

The below options are available for low income children (birth to 18 years old) who:

- Are uninsured
- Are eligible for or enrolled in CHDP/Medi-Cal
- Are American Indian or Alaskan native

**Please direct any questions about this list to (510) 267-3230**

School vaccination requirements vary by grade, but may include:

DTaP (Diphtheria, Tetanus, Pertussis)	5 doses
Hepatitis B Vaccine	3 doses
MMR (Measles, Mumps and Rubella)	2 doses
Polio Vaccine	4 doses
Varicella (Chickenpox)	2 doses
Tdap (Tetanus, Diphtheria, Pertussis)	1 dose

Visit [www.shotsforschool.org](http://www.shotsforschool.org) for more information.

**Although we try to maintain a current list, this information is subject to change and you should always call in advance to verify availability.**

**Always bring your immunization record.**
